

## A night out with Jesus

Jesus mixed with and got to know all sorts of people. He ate, drank and spent time with them. He was even

A variation of this view is known as the Christus Victor theory, and sees Jesus not used as a ransom but rather defeating the captor Satan in a spiritual battle and freeing enslaved mankind.

In Christ, God becomes the one who is scapegoated and expelled. The scapegoat here is not one sacrificed to appease an angry deity. Instead, God enters our society, becomes the scapegoat himself, and thereby eliminates the need for any future scapegoats or sacrifices.

#### The Accident Theory

Christ's death was an accident, as unforeseen and unexpected as that of any victim of human hatred.

#### Feminist Criticisms

Most theories of why Jesus had to die are conceived by, ~~who~~ inherently uphold the cross as a
